Where: Ryde Secondary College MPC (Multi Purpose Centre) Forrest Road, Ryde

Cost: \$76 (non-refundable)

Applications close Thursday 10th June 2021

Ryde Secondary College currently has a **Gifted and Talented (GAT) class** in each year from Years 7-10, **in addition to** our **selective stream** and mainstream and support classes.

We are committed to quality teaching and provision of an engaging, challenging and differentiated learning program leading to greater opportunities for individual achievement and success in learning.

In 2021 we are offering early entrance to selected students into our Year 7 GAT class for 2022.

**This class is only open to students who are residing within the Ryde Secondary College enrolment boundary. Please refer to our website [www.rsc.nsw.edu.au](http://www.rsc.nsw.edu.au)**

Our objective is to create a class to provide educational opportunities that enrich and extend gifted and talented students, fostering a lifelong love of learning, with programs based on research and differentiated learning practices.

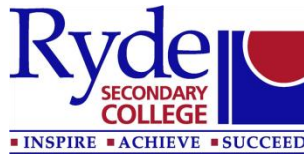

Early entry offers into the GAT class will be based on student performance on a number of criteria and activities assessing problem solving and critical thinking skills plus Literacy and Numeracy challenges.

The composition of the high achieving GAT class is subject to annual review and changes, based on students' academic performance and educational needs.

Students who have not achieved to their potential, or at the level of their peers in the GAT class, may be moved to mainstream classes. Our experience shows that some students perform better in a non-competitive environment.

If you have any questions, please contact Deputy Principal Ms Katie Zito, the Program Coordinator, on 9809 4894 or email [katerina.zito@det.nsw.edu.au](mailto:katerina.zito@det.nsw.edu.au)
