

Ryde Secondary College

Sports Arrangements

Rolls and Travel

Students must be in their allocated assembly areas at 12:30pm on Tuesdays for roll call where equipment and uniform will be checked before students board buses or make their way to the venue.

Behaviour

Students are required to follow the school's code of conduct while travelling to and from sport venues and while participating in their sports. Students are expected to show courtesy at all times to staff, members of the public and participants in opposing teams. Students are required to care for venues and equipment used or hired.

Students may be withdrawn from a sport if they do not abide by the school's code of conduct and the conditions outlined above. Repeated failure to abide by these conditions may result in a student's permanent withdrawal from sport without refund.

Absence

In the event of sickness or injury preventing a student's normal participation in sport, a note must be brought to school and be shown to the Sport Coordinator at recess on Tuesday. The student will be required to attend Non Sport, which will be supervised in a classroom where he or she can complete schoolwork or assignments.

Truancy will result a detention and removal from the sport the following week.

Uniform

Full sport uniform of navy blue (RSC) shorts or tracksuit pants and sky blue shirt (RSC hat if outside) must be worn by all students.

Students travelling outside the college are expected to wear their uniform with pride in their role as ambassadors for the College in sporting competitions.

Failure to bring equipment and full sports uniform will result in the student remaining at school for a sports detention until 3.00pm that day.
